

Mr. Fred Jackson King Jr.

May 11, 1956 - April 3, 2020

Fred Jackson King, Jr. 63, joined his father Fred Jackson King, Sr. and grandparents in Heaven on April 3, 2020. His devotion and support to his family was evident on a daily basis. He was blessed with a family who loved him through some difficult years of personal struggles. However, he never failed to let people know that God turned all that around for him. God was the one who done the work in his life. He loved the Lord and his church family, Dotson Memorial Baptist Church. He especially loved working with the Sonshine Class. Fred was born on May 11, 1956 in Knoxville, TN. Fred attended Doyle High School. He was a retired auto mechanic, who enjoyed racing with a passion, especially dirt track racing. He coached baseball for several years at Eagleton Little League and his face would light up when he saw his children and grandchildren play. He leaves behind his beloved Laura Renea King whom he married on June 7th, 1985. They had 3 children together, 2 very supportive son-in-laws; Heather (Greg) Muse, Haley (Adam) Henry, Derek King, he also had 2 other children: Ashley Rader & Travis Hickam. Grandchildren include Keegan, Stella, Hayden, Adley, Caden, Chasity, Donovan, Charity, Corey, Alycia, Bradon, Averyn, Maley and Destiny along with 11 great-grandchildren. He also leaves his devoted mother Wilma Joyce King Chrisman. Brother and Sisters; Donnie (Teresa) King, Peggy Scrivner, Sonya (Brian) West and Pamela (Joe) Sneed, along with several nieces and nephews, sisters-in-law and brothers-in-law. We do not want to forget to mention his special mother-in-law, Joyce C. Wilson. Due to the trying times the country is going through, our family has chosen to have a celebration of life at Dotson Memorial Baptist Church on a later date. The family requests in lieu of flowers, memorial contributions may be made in Fred's memory to help with his final expenses by calling Smith Funeral & Cremation Service 865-983-1000 or by mail to: 1402 Tuckaleechee Pike, Maryville, TN 37803. www.SmithFuneralandCremation.com

“ Never forget crashing ur vacation to Nashville & had such a gr8 time, especially fond memories of the gr8 work Freddie did for me on my old homeplace, such a diligent guy to work without a real blueprint & understood my wishes! It was a pleasure to get to be ur neighbor & former girl scout parent! RIP & God bless ur family from Susan Roberts Hoagland & family

Laura "Renea" King - April 07 at 03:54 PM

“ I had the pleasure of meeting Freddie through Renea as well as through most of of his other family. I have a lot of fond memories of Freddie. He was always so kind and thoughtful. He always came to see his grandkids play sports whether it was football, basketball, or baseball. I know bc my son played all those sports with his grandson. I was first introduced to the family through his daughter heather. We became good friends through our kids sporting events. What I remember most about Freddie was his smile. He was always smiling and so kind. He absolutely loved his church and loved watching his grandchildren and their friends participate in events. The last memory I have of Freddie is when a large group of his family and friends got together to go out to eat for Heathers birthday dinner aBout a month ago. He was seated at a different table and I didn't get to speak to him much, but he had that big bright smile in his face and was happy to see so many people there celebrating his daughters birthday! Freddie seemed to be at his happiest when he was surrounded by all his family that lived him dearly. Freddie, I always miss your friendly face and beautiful smile.

“ I had the priviledge of meeting Freddie, through his wife Renea, when I was training for work. Freddie was so kind and helpful due to Renea being on a knee scooter for a foot injury. Freddie met my husband and they had a great time talking about racing and cars. We were able to celebrate Christmas with Freddie & Renea on the Knoxville Riverboat for our work party. We had a great time! I will always remember Freddie's kind heart, laughter and loving care for his grandchildren. My prayers are continually with this family. God Bless

“ The only memories I have of Freddie are with the Sonshine Class, and they are all good. His sense of humor, his kindness and caring, his willingness to be helpful each and every week are what I will remember. He was also very supportive to Gene & I with all that we've faced with our daughter, Katie this past year; always giving God the glory for all that He had brought him through. We send much love and will be praying for his precious family. Shelly and Gene DeLoach
